# MASTERS/JR MASTERS DIVISION REGISTRATION

**Do you want more competition than our regular APA League can offer?** Join our Masters Division and challenge yourself! Our Masters teams will be competing for the right to represent our Birmingham APA League at the *APA World Masters Championship* held annually in Las Vegas. There are two sessions, **Session A (Jan-May)** and **Session B (Jul-Nov)**. Masters teams will play two team matches **ONCE A MONTH**, on Saturday, for a minimum of ten matches per session.

Our Masters Division teams consist of 3 to 4 players but only three will play in a scheduled team match. These divisions will be using modified **U.S. Amateur** rules. Our Masters Division will be split into 2 groups, **Masters** and **Jr Masters**. Our **Masters** teams will be composed of 8-Ball skill level 7s and our **Jr Masters** teams will be composed of 8-Ball skill levels 5s and 6s. *Jr. Masters* players can compete in our **Masters** group, if they so choose.

Our complete Masters Divisions guidelines, eligibility criteria, and playoff structure can be found on our *BirminghamAPA.com* website under, "**APA Divisions & Rules/Showdown Division Rules**". Please remember that, **ONLY the teams who compete in these Masters Divisions will have the opportunity to advance and compete in the APA World Masters Championships held each year in Las Vegas.**
